

World's First Hexapod Conference & Convention

Sponsor:

May 4, 2013

Keynote Speaker:

Prof. Sangbae Kim, MIT Biomimetic Robotics Lab

Why: Mix academics and non-academics, have fun talking about and making six-legged robots

Where: MIT International Design Center, Bldg N52 3rd floor

When: Saturday, May 4th, 9am to 4:30pm

Join us for a mix of lightning talks, hexapod dance-off competition(!), demonstrations, and workshops. Prizes awarded to best presenter and most humorous hexapod demonstration. Up to \$100 travel scholarships available.

Now open to proposals+registration! hexacon2013.mit.edu
